

2024 OSOM Schedule

OSOM classes have changed in format beginning in 2023. Classes are now run on Google Classroom for 4 weeks, with work completed each week. Many classes are offered fully online, with two Zoom sessions. Some classes have an in-person class at the end of the 4 weeks.

The class start and end dates are listed below. For online classes, Zoom dates are forthcoming. We aim for the 2nd and 4th Thursdays of the class from 6:00-8:30pm, but this isn't always possible. When you register, you will see the Zoom dates listed for each class.
